04 Eye-space in capturing race

White just played at 1. Where should Black play to win the capturing race?

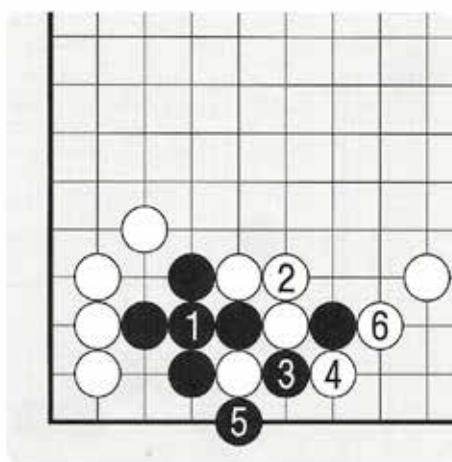

05

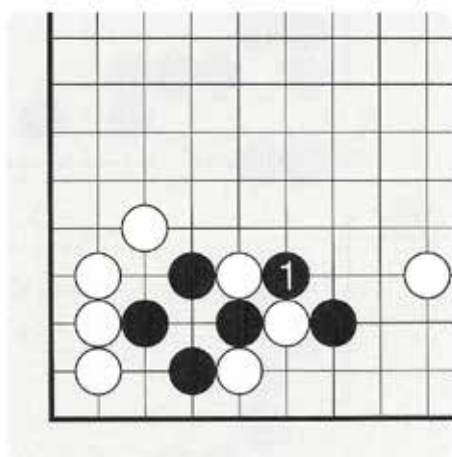

Counterattack

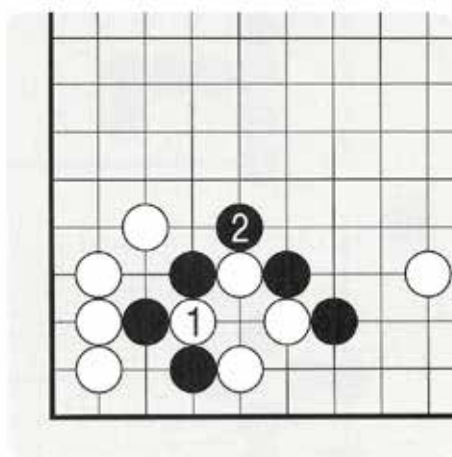

Dia.1 Let's study how to answer if White plays at 1.

Dia.2 It is a problem if Black connects at 1, just because of the dansu.

Dia.3 In this case, it is important for Black to counterattack at 1.

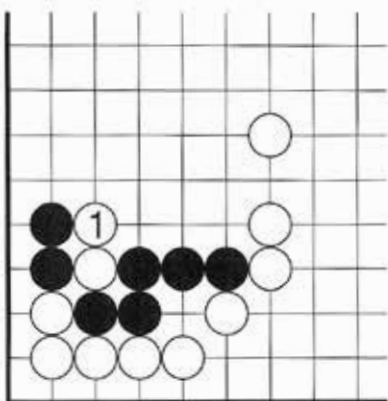

Dia.4 Even if White plays at 1, Black can capture White with double dansu at 2.
